

YoungStar (YS32)

Heavy-duty 32mm thick mat with hoof-stopping lugged profile.

Designed with the needs of stock yards, sale yards and abattoirs, in mind. YoungStar is a built-tough rubber matting system that's simple to install, easy to clean, and an exceptional performer under pressure. Its well-placed lugs are designed to stop cattle slipping and dramatically reduce the incidence of falls and injuries.

Applications

Sale Yards, Abattoirs, Loading Zones, Drafting Areas, Processing Areas, Crushes

Properties

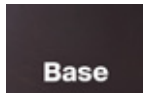

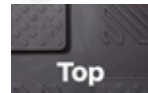

Made of high-quality rubber using a unique vulcanisation process.

Slip Resistant

Recycled Rubber
