

# YoungStar (YS20)

**Heavy-duty 20mm thick mat with hoof-stopping lugged profile.**

**Designed with the needs of sale yards and abattoirs, in mind. YoungStar is a built-tough rubber matting system that's simple to install, easy to clean, and a great performer under pressure. Its well-placed lugs are designed to stop cattle slipping and reduce the incidence of falls and injuries while handling live stock.**

## Applications

Sale Yards, Abattoirs, Loading Zones, Drafting Areas, Processing Areas, Crushes

## Properties

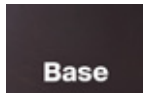

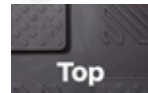

Made of high-quality rubber using a unique vulcanisation process.

Slip Resistant

Recycled Rubber

## Specifications
